TIPS FOR A PAWSITIVELY SAFE HOLIDAY SEASON

-  DON'T LET YOUR FURRY ONE DRINK TREE WATER - THE TREE CAN RELEASE TOXIC SAP.
-  BE CAUTIOUS OF CHRISTMAS PLANTS - AVOID PINE NEEDLES, POINSETTIA, MISTLETOE, HOLLY & AMARYLLIS.
-  KEEP GIFTS AND CANDY OUT OF REACH - CHECK INGREDIENTS BEFORE TREATING YOUR FURRY FRIEND. INGREDIENTS SUCH AS XYLITOL (A SUGAR ALCOHOL) ARE EXTREMELY DANGEROUS.
-  SAVE YOUR TURKEY BONES FOR BROTH AND DON'T GIVE THEM TO YOUR PETS. (IF CONSUMED, ANY COOKED BONES CAN HARM YOUR PET.)

OUR FAV GIFTS FOR OUR FUR-FAMILY

ENRICHMENT TOYS

Encouraging your pooch to engage in natural dog behaviors such as chewing and foraging ensures you are meeting their needs emotionally and mentally.

LICKMATS

Repetitive licking can have a calming effect for dogs that suffer from anxiety, and to keep your dog occupied in distracting environments like a house full of family during the holidays.

PUZZLES

I highly recommend that dogs be fed from puzzle bowls or other enrichment toys rather than a regular dog bowl. That way your dog burns energy, practices problem solving, and doesn't scarf down their food.
